

# SAJUG Online Network User Agreement and Privacy Policy

---

The following guidelines are intended to maintain a healthy and productive online forum for the Seattle Area JMP Users' Group (The online forum is referred to as the Network):

## Rules of the Road

- Be respectful, polite, and do not use abusive language, insults, or obscene material.
- Please use a display name on the Network that includes your first name and last name.
- Don't use personal information or other content obtained from the Network outside of the SAJUG community without the permission of the owner/author.
- You may not post content that displays pornographic or sexually explicit material of any kind.
- Be respectful of other people's postings – avoid editing that may be considered vandalism.
- The Network is designed for the personal use of SAJUG members and may not be used for commercial purposes. Illegal or unauthorized use, including unsolicited email or other misuse of users' personal information, is not allowed.
- You agree to notify SAJUG leaders immediately if you suspect any unauthorized use of your account or access to your password. You are solely responsible for any and all use of your account.
- Anyone who does not adhere to these guidelines or behaves in a way that is deemed inappropriate by the SAJUG leadership may have their access and content modified or removed.

## Legal disclaimers

- You are solely responsible for any information you post or transmit on the Network. SAJUG makes no warranty about the information on the Network but reserves the right to edit or remove any content. Content does not necessarily reflect the opinions or policies of SAJUG.
- SAJUG does not claim any ownership rights to content provided by users. By posting content, you are giving SAJUG the right to display it on the Network, free of charge, until you decide to remove the content from the Network.
- SAJUG disclaims liability for any loss, damage, or personal injury resulting from anyone's use of the Network. The disclaimer of liability includes inaccurate or harmful content on the Network, disclosure or theft of personal information, and any interactions between Network users, either online or offline.
- SAJUG provides this Network "AS-IS" and free of charge to Network users. SAJUG offers NO warranty regarding the capabilities or reliability of the Network, including technical malfunctions of any type.
- Appropriate discipline, civil and/or criminal legal action will be taken for any illegal behavior or other improper activity.
- SAJUG may make occasional changes to the user agreement and you will be notified by email that changes have been made using the email address listed on the site. Use of the site after that notification of changes will be considered consent to be bound by the new user agreement.

# SAJUG Online Network User Agreement and Privacy Policy

---

## SAJUG's Privacy Policy

- SAJUG collects personal information when voluntarily submitted by Network users. Personal data and contact information will not be distributed outside of the SAJUG community without your consent, except when required by law or to assist in law enforcement activities. We will not rent or sell your personal information.
- Your email address is visible to other Network users. If you receive unwanted email please notify a SAJUG administrator or other SAJUG official.
- SAJUG will take reasonable precautions to make sure your personal information is kept secure. As described in the User Agreement, SAJUG makes no warranties about the security of your information though we take great pains to protect it.
- The Network does not use cookies to store personal information about you.
- Children under the age of 13 may not use the Network or provide personal information without the express consent of his/her parent or legal guardian.
- If you have any questions, concerns, or comments about this privacy policy please contact a [Network administrator](#).
